## ACKNOWLEDGEMENT

The majority of the detail information in this GENEALOGY REPORT was extracted from the data base that has been compiled and maintained by my nephew, Mr. Locksley Stubblefield. It is through his diligent efforts in collecting and maintaining this data that has made it possible for me to produce this report.

The Personal Computer Software, "THE GENERATIONS, Deluxe Edition of Family Tree by SIERRA Home", was utilized in the compilation and preparation of this report.

## INTRODUCTION

My grandfather, JAMES ROBERT STUBBLEFIELD, WAS BORN ON March 8, 1861 at Viola, Warren County, Tennessee. He died on April 21, 1950. In addition to owning a farm at Viola, he was a Minister for the Church of Christ.

My father, HERMAN POWELL STUBBLEFIELD and Mother MAMIE HALL, had six children. This GENEALOGY REPORT was initiated to compile an updated file of my family members. As I obtained data to include in the file; I found it difficult to confine the project to my original scope.

When I became aware of a GENEALOGY file that my nephew, Locksley Stubblefield had compiled, I decided to include as much of it as possible that was pertinent to my interests. This GENEALOGY REPORT is a summary of information that has been extracted from his data base, and from other sources from which I have received data. This information has been presented in chart format where possible. This has been done by utilizing "THE GENERATIONS, Deluxe Edition of Family Tree Software", distributed by SIERRA Home. They can be reached at their web site: [www.sierra.com](http://www.sierra.com).

It should also be noted that I have included genealogy charts from my Mother's side of the family as well as from Millie Stubblefield (my brother Edwin's wife). This report should not be considered as being complete and all inclusive since not all of the living individuals noted have been contacted and contributed to the data file. Normally all genealogy charts are generated by following the "father's" lineage.

The last file included in this report, "DESCENDANT REPORT for WILLIAM STUBBLEFIELD & ANNYS", has been included only for the detail information that it contains. I thought that it might be of interest to anyone who would like to take the time to review it. My apology for my Printer and Personal Computer's limitations in not being able to generate a more readable report.

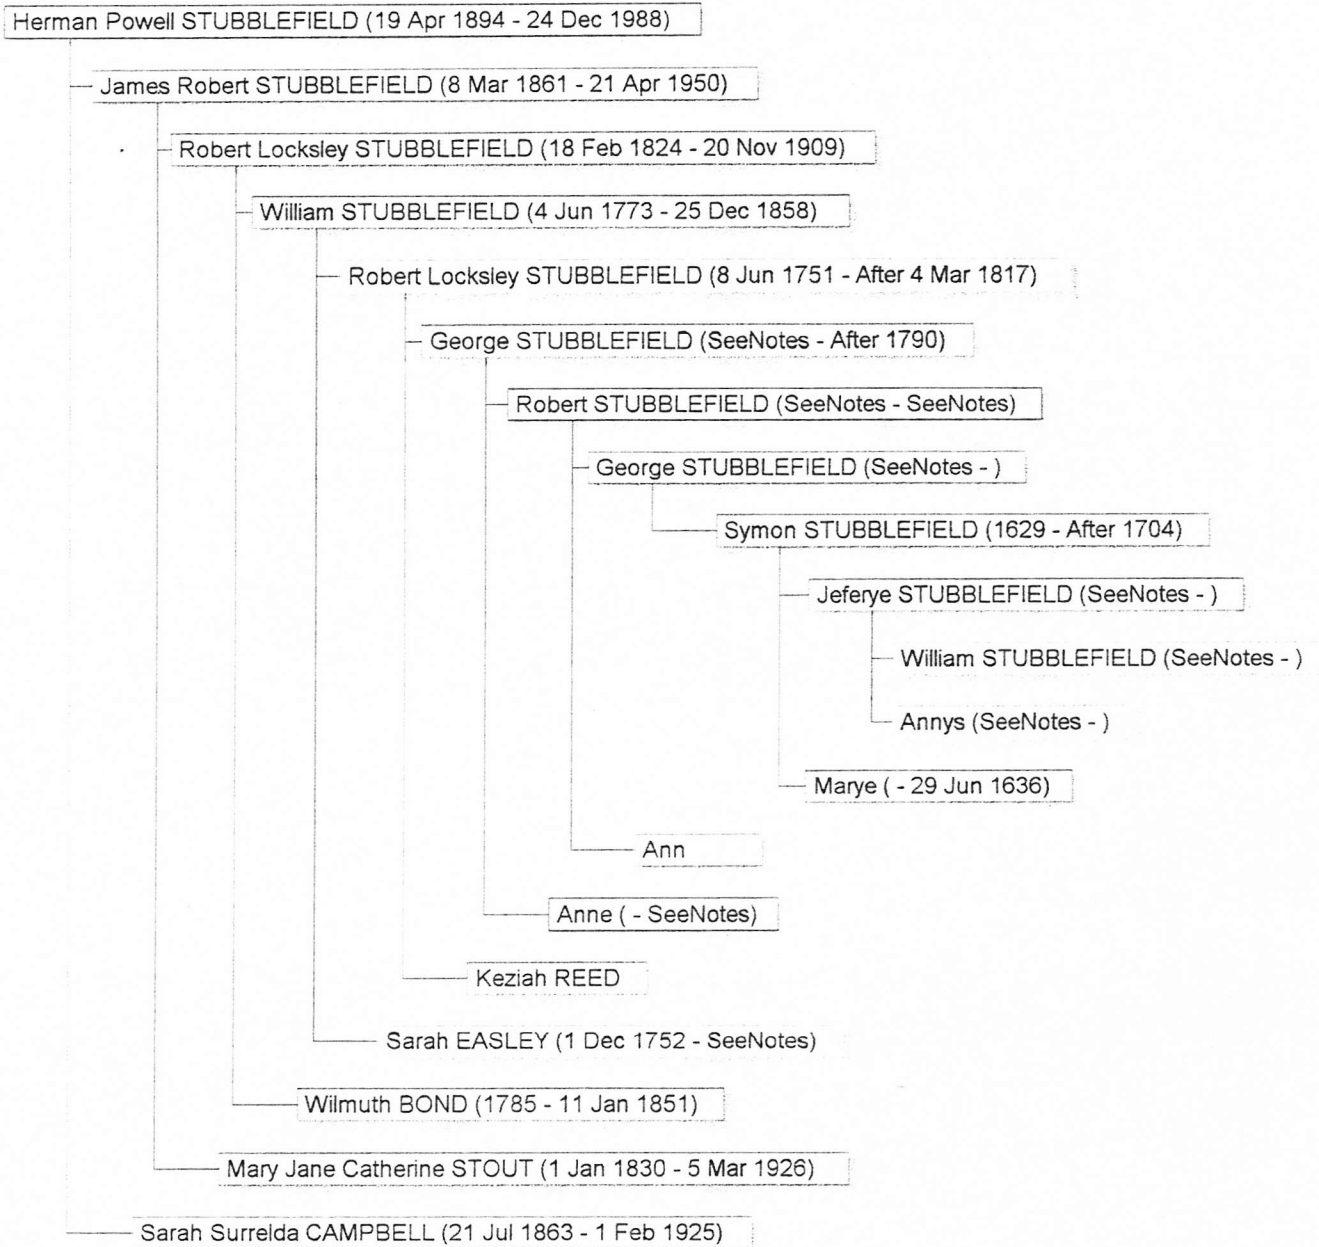

Finally, it would be appreciated if when you review this report that if you find errors and/or wish to update any of this information; that you forward such information to me at the address on the cover page.
